Governor Wolf's Statement on Bruce Beemer Confirmation

Harrisburg, PA – Governor Tom Wolf released the following statement on the Senate's confirmation of Bruce Beemer as Attorney General of Pennsylvania:

“Bruce Beemer has the unique experience and skillset as a prosecutor, lawyer and administrator to begin the healing necessary to put the Attorney General's office back on track. He is trusted by the rank-and-file members of the office and understands better than anyone what must be fixed to restore the public trust. I thank the Senate for their swift confirmation and vote of confidence in Bruce and I look forward to his continued public service to the people of Pennsylvania as Attorney General.”
